IT IS RECOMMENDED THAT THE BOARD OF COMMISSIONERS OF THE COMMUNITY DEVELOPMENT COMMISSION:

1. Authorize the Executive Director of the Community Development Commission (Executive Director) to accept from the County of Los Angeles an estimated \$69,573,514 in Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), American Dream Downpayment Initiative Act program (ADDI) and Emergency Shelter Grant (ESG) funds identified in the Action Plan for Fiscal Year 2006-2007 (Action Plan); and to incorporate these funds into the approved Fiscal Year 2006-2007 budget of the Commission, for the purposes described herein, following final notification of approval by the U.S. Department of Housing and Urban Development (HUD).

IT IS RECOMMENDED THAT THE BOARD OF COMMISSIONERS OF THE HOUSING

AUTHORITY:

1. Authorize the Executive Director of the Housing Authority (Executive Director) to accept from the County of Los Angeles an estimated \$1,293,306 in Fiscal Year 2006-2007 (July 1, 2006 to July 30, 2007) Community Development Block Grant (CDBG) funds, and to continue administration of \$250,000 in prior year CDBG funds, as described in the Action Plan for Fiscal Year 2006-2007 (Action Plan); and to incorporate the \$1,293,306 in new CDBG funds into the approved Fiscal Year 2006-2007 budget of the Housing Authority, following final notification of approval by the U.S. Department of Housing and Urban Development (HUD).
2. Authorize the Executive Director, or designee, to execute CDBG Reimbursable and Advance Contracts, and any necessary amendments not exceeding the scope of authority granted under this Board letter, with the County of Los Angeles to implement projects described in the Action Plan, attached hereto in substantially final form, following approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The National Affordable Housing Act (NAHA) of 1990 (Cranston/Gonzalez Housing Act), as amended in 1992, requires that the County of Los Angeles provide a single, consolidated submission of the proposed expenditure of funds to be eligible for HUD formula grant funding, including CDBG, HOME, ADDI and ESG. The Action Plan satisfies these federal requirements to provide for the release of funds.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The Action Plan allocates an estimated \$69,573,514 in federal funds, as follows: \$30,877,261 in new Thirty-second Program Year (July 1, 2006 to June 30, 2007) CDBG funds; \$399,130 in CDBG funds received as a joint applicant with the City of Cerritos; \$18,935,277 in unexpended CDBG funds from prior years; \$5,000,000 in estimated future CDBG program income; \$12,883,006 in Fiscal Year 2006-2007 HOME funds; \$157,849 in Fiscal Year 2006-2007 ADDI funds; and \$1,320,991 in Fiscal Year 2006-2007 ESG funds.

CDBG funds total \$55,211,668 and are comprised of new, reallocated, prior years', and program income funds. The five Supervisorial Districts will receive an allocation of \$39,011,047 for projects in the unincorporated areas of the County, of which \$1,543,306 will be distributed to the Housing Authority for capital improvement projects and services for residents of public housing. The 47 participating cities will receive an allocation of \$16,200,641. Projects to address housing and community needs will be implemented by

the Commission, the Housing Authority, County departments, and approximately 52 community-based organizations and other public agencies, such as school districts.

A total of \$959,888 in Fiscal Year 2006-2007 and prior year CDBG funds will be exchanged for general funds. The City of Hawaiian Gardens will receive a total of \$600,671 in CDBG funds as follows: \$49,838 from the City of Sierra Madre; \$141,012 from the City of Santa Fe Springs; \$3,601 from the City of Bradbury; \$29,342 from the City of Rolling Hills Estates; \$34,447 from the City of Westlake Village; \$151,652 from the City of Manhattan Beach; \$24,113 from the City of La Habra Heights; and \$166,666 from the Fourth Supervisorial District. The City of San Fernando will receive a total of \$252,850 in CDBG funds from the City of Cerritos. The First Supervisorial District will receive a total of \$106,367 from the City of Cerritos.

The CDBG Reimbursable Contracts with five cities and the Commission for the West Altadena Community Redevelopment Project area currently repaying Section 108 loans will be amended to reduce the allocations of Fiscal Year 2006-2007 CDBG funds by \$1,752,643 in order to set aside annual repayment amounts that are due under separate Section 108 loan agreements. The following amounts will be subtracted from their Fiscal Year 2006-2007 allocations: \$309,401 for the City of Azusa; \$204,427 for the City of Culver City; \$54,593 for the City of Claremont; \$330,876 for the City of San Fernando; \$617,853 for the City of Bell Gardens; and \$235,493 for the unincorporated redevelopment area of West Altadena.

HOME funds total \$12,883,006, of which \$1,288,300 will be used for program administration, as determined by HUD. The First-Time Homebuyer Program will use \$2,157,849 to provide home ownership opportunities in the unincorporated areas of the County and participating cities, consisting of \$2,000,000 in Fiscal Year 2006-2007 HOME funds and \$157,849 in Fiscal Year 2006-2007 ADDI funds. Housing development and rehabilitation activities will use \$7,662,256, of which \$3,831,256 will be set aside for six months for participating cities. After six months, the remaining funds will be available in the unincorporated areas and participating cities on a first-come, first-served basis for development and rehabilitation activities. In addition, \$1,932,450 will be set aside for Community Housing Development Organizations (CHDO). HOME funds may be re-programmed for home ownership, development, and rehabilitation needs.

ESG funds total \$1,320,991. These funds will be allocated to LAHSA for projects to assist the homeless in the unincorporated areas of the County of Los Angeles and participating cities. LAHSA will conduct an RFP process to award these funds

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

On May 24, 2005, your Board approved the third Action Plan (Fiscal Year 2005-2006) of the current five-year Consolidated Plan. The current annual Action Plan ends on June 30, 2006, and a new Action Plan must be adopted by your Board to continue receiving

funding. The new Action Plan includes a description of the activities to be undertaken during the 2006-2007 Fiscal Year to address the objectives outlined in the Consolidated Plan's five-year strategy.

Subsequent to your Board adopting the current Consolidated Plan, Congress enacted the ADDI under the HOME program to assist low-income families in becoming first-time homebuyers. The County, commencing in Fiscal Year 2003-2004, receives an annual ADDI allocation which will be administered under the County's Consolidated Plan and Action Plans.

Standard CDBG Advance or Reimbursable Contracts will be entered into with recipients of CDBG funds. Reimbursable Contracts for Fiscal Year 2006-2007 will not be executed with the cities of Bradbury, La Habra Heights, Manhattan Beach, Rolling Hills Estates, Sierra Madre and Westlake Village because these cities will transfer their entire new allocations to other cities.

MOU's will also be executed with participating cities wishing to implement single-family Homeowner Rehabilitation activities using HOME funds. These funds will be used for homeownership, housing development and redevelopment activities throughout the unincorporated County and in participating cities.

In addition to the above proposed allocations, the Commission is requesting that the Executive Director be authorized to terminate CDBG contracts with community-based organizations that fail to address administrative deficiencies, program compliance issues, or other contract obligations. Following consultation with County Counsel and the respective Supervisorial Districts, the Executive Director will determine whether or not it is in the best interests of the County to suspend funding for the program year and cancel the contracts. If so, the Executive Director will then recover any disallowed or unexpended funds and return the funds to the appropriate Supervisorial Districts.

All public notice requirements contained in 24 Code of Federal Regulations Part 91 Section 91.105 of the NAHA for approval of the Action Plan have been satisfied. A total of five community meetings were held in September and October 2005. Comments received at these meetings have been incorporated into the Action Plan and were posted on the Commission website in late April 2006 to update the public regarding the comments received earlier at the meetings. Notices of the 30-day public comment period and public hearing were published in newspapers throughout the County and copies of the draft Action Plan were made available for review at public libraries. The public comment period will conclude on May 23, 2006.

The Action Plan is attached to this Board letter. The following documents are also provided: Fiscal Year 2006-2007 CDBG Grant Funding Summary; Fiscal Year 2006-2007 HOME Grant Reservations and Set-Asides and Fiscal Year 2006-2007 ADDI Grant Funds; Proposed Use of ESG Funds; Fiscal Year 2006-2007 Funding for Participating Cities;

sample standard CDBG Reimbursable Contract; sample standard Other Public Agency Reimbursable Contract; sample standard CDBG Advance Contract; sample standard Section 108 Reimbursable Contract Amendment; sample standard Agreement to Implement a CDBG Project for participating city; sample standard CDBG Reimbursable Contract Amendment; sample standard HOME MOU; Fiscal Year 2006-2007 Summary Totals for Minority and Women Board Members and Employees for funded non-profit agencies; and Grants Management Statements for the CDBG, HOME, ADDI and ESG grants. These items appear as Attachments A through P, respectively.

All of the projects proposed in the Action Plan are federally-funded. As applicable, the administering agencies will be subject to the prevailing wage requirements of the Davis-Bacon Act and related Acts and Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance. However, where Section 3 is not applicable, the agencies will be subject to the County's Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program, which furthers the same or similar goals.

This letter has been reviewed by County Counsel. On April 26, 2006, the Housing Commission recommended approval of all Housing Authority projects contained in the Action Plan.

ENVIRONMENTAL DOCUMENTATION:

The Action Plan is exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(1), because it is a planning document and does not involve activities that will alter existing environmental conditions. It is also exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines 15061 (b)(3), because the Action Plan, as part of the Consolidated Plan, is covered by the general rule that CEQA only applies to projects that have the potential for causing a significant effect on the environment. However, each program within the Action Plan will be reviewed for environmental impact on a project-by-project basis before funding is released.

CONTRACTING PROCESS:

HOME funds are used to implement a variety of affordable housing development and rehabilitation programs available to households earning less than 80 percent of the area median income for the Los Angeles-Long Beach Metropolitan Statistical Area, adjusted for family size, as determined by HUD. Funds are available through an open RFP process, on a first-come, first-served basis to qualified for-profit and non-profit developers and Fair Housing Development Organizations. Projects are selected to maximize the impacts of

HOME funds based on viability, financial feasibility, and appropriateness to geographic location and community need. Funds are also available on a first-come, first-served basis to qualified homebuyers and owners of single- and multi-family housing in need of rehabilitation.

LAHSA contracts with non-profit and government agencies to provide housing and services for homeless individuals and families through an RFP process that solicits proposals for new and continuing projects. The 2006-2007 Winter Shelter Program will begin in November 2006, and LAHSA will issue an RFP to identify service providers in August 2006. It is anticipated that current County ESG-funded shelter and services contracts will be renewed for an additional year.

The County does not use a competitive process to award CDBG contracts to non-profit agencies. Each Supervisorial District utilizes the Community Resources Investment Strategy (CRIS), citizen input from community meetings, and consultations with the Commission to select agencies that best meet community needs.

IMPACT ON CURRENT PROJECTS:

The projects contained in the Action Plan will benefit low- and moderate-income residents of the unincorporated County and participating cities.

Respectfully submitted,

CARLOS JACKSON
Executive Director

PROPOSED USE OF ESG FUNDS

The Los Angeles Homeless Services Authority (LAHSA) proposes to use the 2006-2007 Emergency Shelter Grant allocation to meet the purpose of the Stewart B. McKinney Homeless Assistance Act 24 CFR 576.1 (b), and to meet the homeless needs, goals and objectives identified in the 2003-2008 Consolidated Plan. In response to public input relative to homelessness, LAHSA has adopted policies to geographically allocate homeless resources where need has been identified.

The priorities for use of ESG funds are operations and essential services. Operations funds will be used to fund outreach services by the emergency response team, overnight shelter through the winter shelter program and emergency housing. Essential services will be used to fund the access center program, the emergency response team and emergency housing. All these programs are located throughout Los Angeles County. The winter shelter program provides temporary nightly shelter during the period of time in which Los Angeles usually experiences its most inclement weather, November 15 to March 30. The emergency response team conducts outreach and referrals to homeless persons who are sent to LAHSA through phone calls from City Council offices, Board of Supervisors offices, business owners and community members. The emergency housing program provides twenty-four hour shelter to homeless individuals and families. The services provided assist participants obtain more stable housing and learn more independent living skills.

The following is an estimate of the percentages of the ESG funds to be allocated to the various activities eligible under ESG:

ELIGIBLE ACTIVITY	PERCENTAGE	ESTIMATED ALLOCATION
Operations	65	\$858,644
Essential Services	30	\$396,297
Administration	5	\$66,050
TOTAL	100	\$1,320,991

LAHSA will meet the matching funds requirement with 100% federal Supportive Housing Program funds for the 2006-2007 Program Year.

If any such provision shall be deemed invalid due to its scope of breadth, such provision shall be deemed valid to the extent of the scope of breadth permitted by law.
11. INTERPRETATION. No provision of this Contract shall be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if both parties drafted it hereto.
12. WAIVER. No breach of any provision hereof can be waived unless in writing. Waiver of breach of any provision herein shall not be deemed to be a waiver of additional breaches of the same provision or breach of any other provision herein.

14. NONEXPENDABLE PROPERTY. Nonexpendable property means leased and purchased tangible personal property, such as office equipment, having a useful life of more than one (1) year and/or an acquisition cost of \$5,000 or more per unit. Nonexpendable property shall also include, but not limited to real property any interest in real property (including any mortgage or other encumbrance of real property), and funds derived from the sale or disposition of nonexpendable property. Any utilization of funds derived from the sale or disposition of nonexpendable property must have prior approval of the County and otherwise comply with all applicable laws and regulations. In the event the Contract is terminated, the County reserves the right to determine the final disposition of said nonexpendable property acquired for this project with CDBG funds, including funds derived there from. Said disposition may include taking possession of said nonexpendable property.

The Operating Agency shall maintain up-to-date property records, listing all non-expendable property it has leased or purchased during the term of this Contract. The following items should be included in the list: description of property, serial or ID number, source of funds that purchased the item (including the award number), owner of property, date of purchase, cost, percentage of cost paid with Federal monies, location, condition and use of property, date of disposal, and sale price or method used to determine the current fair market value. The Operating Agency shall conduct a physical inventory of the nonexpendable property at least once every two (2) years, reconcile the inventory with its property records and maintain these records for four years (4) after the termination or expiration of this Contract. In the event there is a change of use or disposition of the property, if the then-current fair market value is over \$5,000, the Operating Agency shall immediately pay to the County a pro-rata share of the then current fair market value of the property. The pro-rata share shall be calculated by multiplying the then-current fair market value by the percentage of the purchase price paid with CDGB funds or program income.

15. REVERSION OF ASSETS. Upon expiration or termination of this Contract, the Operating Agency shall immediately transfer to the County any remaining CDBG funds on hand at the time of expiration or termination and any accounts receivable

attributable to the use of CDBG funds. Any real property under the Operating Agency's ownership or possession that was acquired or improved in whole or in part with CDGB funds in excess of \$25,000 shall be either:

- i. Used to meet one of the national objectives in 24 CFR 570.208 for five (5) years following the close-out of the CDBG grant from which assistance to the property was provided after expiration of this Contract (24 CFR 570.505), or such longer period of time as may be specified in the Exhibit A; or
- ii. Disposed of in a manner, which results in the County being reimbursed in the amount of the current fair market value of the property less any portion thereof attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such reimbursement is not required after the period of time and under the conditions specified in subparagraph i above.

The Operating Agency shall maintain the use of the real property and documentation verifying compliance with the national objective for a period of five years after closeout of this project, per 24 CFR 570.505, Use of Real Property, which states, "[t]he standards described in this section apply to real property within the recipient's control which was acquired or improved in whole or in part using CDBG funds in excess of \$25,000." These standards shall apply from the date CDBG funds are first spent for the property until five years after closeout of an entitlement recipient's participation in the entitlement CDBG program, or, with respect to other recipients, until five years after the closeout of the grant from which assistance to the property was provided. The Operating Agency must submit to the Commission a completed "Certification of Eligible Use" Form verifying that the real property is used exclusively for the eligible use and purpose as provided in the Exhibit A. This form shall be submitted on an annual basis, by April 30th, beginning in year two (2) and for a period of five (5) years after closeout of the project. In case of a change of use or disposition, the Commission must be reimbursed for the then-current fair market value of the real property, less the pro rata share of expenditures made with non-CDBG funds to acquire or improve the real property.

16. PURCHASE OR LEASE OF NONEXPENDABLE PROPERTY. Operating Agency shall obtain three (3) documented bids prior to purchasing or leasing any nonexpendable personal property as approved in Exhibit A, Project Description and Activity Budget. The Operating Agency must purchase or lease from the lowest, responsive and responsible bidder. Operating Agency shall properly identify and inventory all nonexpendable property purchased or leased pursuant to the Contract and seek reimbursement from the County for the actual price of said property, deducting all cash discounts, rebates and allowances received by Operating Agency. Operating Agency shall provide said inventory to the County upon request.

If there is a residual inventory of unused supplies, upon termination or completion of the project or termination or expiration of this Contract, with a then-current aggregate fair market value exceeding \$5,000 and if the supplies are not needed

for any other federally sponsored program(s) or project(s), the Operating Agency shall immediately pay the County for its pro rata share of the then-current aggregate fair market value calculated at the percentage of the purchase price paid with CDBG funds. The Operating Agency shall obtain prior approval of the County and otherwise comply with all applicable laws and regulations prior to utilizing the supplies for any other federally sponsored program(s) or project(s).

17. ACCOUNTING. The Operating Agency must establish and maintain on a current basis an adequate accounting system in accordance with generally accepted accounting principles and standards, and the County Auditor-Controller Contract Accounting and Administration Handbook. Regardless of the Operating Agency's method of accounting, expenses must be reported in accordance with Sections 5 and 42 of this Contract.
18. CHANGES. The County may, from time to time, request changes hereunder, including the scope of services of the Operating Agency. Such changes, including any increase or decrease in the amount of the Operating Agency's compensation, which are agreed upon by and between the County and the Operating Agency, shall be incorporated into this Contract by written amendments. Any changes by HUD to the regulations or requirements governing Operating Agency's performance hereunder need not be incorporated by written amendment and will be binding upon Operating Agency upon notification by County.
19. CHANGES IN GRANT ALLOCATION. The County reserves the right to reduce the grant allocation when the County's fiscal monitoring indicates that the Operating Agency's rate of expenditure will result in unspent funds at the end of the program year. Changes in the grant allocation will be made after consultation with the Operating Agency. Such changes shall be incorporated into this Contract by written amendments.
20. CITIZEN PARTICIPATION. All program data necessary to provide reports to citizens will be made available by the Operating Agency. Discussions will be held often enough so that the Operating Agency will be adequately apprised of citizen recommendations during the course of the program. Operating Agency representatives shall be available to respond to questions and receive recommendations at local meetings when so requested by the Executive Director or his designee.
21. REVENUE DISCLOSURE REQUIREMENT. Upon request, Operating Agency shall file with the County a written statement listing all revenue received, or expected to be received, by Operating Agency from Federal, State, City or County sources, or other governmental agencies, and applied for, or expected to be applied for, to offset, in whole or in part, any of the costs incurred by Operating Agency in conducting current or prospective projects or business activities, including, but not necessarily limited to, the project or business activity which is the subject of this Contract. Such statement shall reflect the name and a description of such business activity, the dollar amount of funding provided, or to be provided, by each and every governmental agency for each such project or

business activity, and the full name and address of each governmental agency. Operating Agency shall make available for inspection and audit to County's representatives, upon request, at any time during the duration of this Contract, and during a period of five (5) years thereafter, all of its books and records relating to the operation by it of each project or business activity which is funded in whole or in part with governmental monies, including the project(s) funded under this Contract, whether or not such monies are received through County. All such books and records shall be maintained by Operating Agency at a location in Los Angeles County.

Failure of Operating Agency to comply with the requirements of this Section 21 of this Contract shall constitute a material breach of contract upon which County may immediately cancel, terminate or suspend this Contract through its Executive Director.

22. JOINT FUNDING. For projects in which there are sources of funds in addition to CDBG funds, Operating Agency may be required to provide proof of such other funding. The County shall not pay for any costs incurred by Operating Agency, which are paid with other funds. All restrictions and/or requirements provided for in this Contract, relative to accounting, budgeting and reporting, apply to the total project regardless of funding sources.
23. ASSURANCES. The Operating Agency hereby assures and certifies that it has complied with the Act, applicable regulations, policies, guidelines and requirements, 24 CFR Part 85 and OMB Circular A-87, and that it will comply with all applicable Federal, State and local laws and regulations as they relate to acceptance and use of Federal funds for this program. Accordingly, the County reserves the right, in its sole discretion, to revise this Contract in order to take into account actions and events affecting CDBG program funding. In the event of a CDBG funding reduction by HUD, the County may, in its sole discretion, reduce the compensation amount of this Contract in whole or in part, or may limit the rate of the Operating Agency's use of both its uncommitted and its unspent funds. The Executive Director, or his designee, may act for the County in implementing and effecting such a reduction in the compensation amount of this Contract.

Where the Executive Director, or his designee, has reasonable grounds to question the fiscal accountability, financial soundness, or compliance with this Contract of the Operating Agency, the County, through the Executive Director, or his designee, may suspend this Contract for up to sixty (60) days, upon three (3) days' notice to Operating Agency, pending an audit or other resolution of such questions. In no event, however, shall a revision made by the County affect expenditures and legally binding commitments made by the Operating Agency before it received notice of such revision, provided that such amounts have been committed in good faith and are otherwise allowable, that such commitments are consistent with HUD cash withdrawal guidelines, and that CDBG funds are available to County to satisfy such expenditures or legally binding commitments.

28. USE OF FUNDS FOR ENTERTAINMENT, MEALS OR GIFTS. Operating Agency certifies and agrees that it will not use funds provided through this Contract to pay for entertainment, meals or gifts.

- 51. RESIDENTIAL ANTIDISPLACEMENT AND RELOCATION ASSISTANCE PLAN. Section 104(d) of the Housing and Community Development Act of 1974, also known as the Barney Frank Amendment, requires relocation assistance for displaced low-income families and requires one-for-one replacement of low/moderate income dwelling units that are demolished or converted to other use. 53. TERMINATION FOR IMPROPER CONSIDERATION. The County may, by written notice to the Operating Agency, immediately terminate the right of the Operating Agency to proceed under this Contract if it is found that improper consideration, in any form, was offered or given by the Operating Agency, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment or extension of the Contract or the making of any determinations with respect to the Operating Agency's performance pursuant to the Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against Operating Agency as it could pursue in the event of default by the Operating Agency.

Without limiting the rights and remedies available to County under any other provision of this Contract, failure to cure such default within ninety (90) days of notice by the Los Angeles County Child Support Services Department (CSSD) shall be grounds upon which the Executive Director may terminate this Contract pursuant to Paragraph 59, Termination for Cause.

56. POST MOST WANTED DELINQUENT PARENTS LIST. The Operating Agency acknowledges that the County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. The Operating Agency understands that it is County's policy to voluntarily post a list entitled L.A's Most Wanted: Delinquent Parents poster in a prominent position at Operating Agency's place of business. The CSSD will supply the Operating Agency with the poster to be used.
57. COUNTY'S QUALITY ASSURANCE PLAN. The County will evaluate the Operating Agency's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Operating Agency's compliance with all contract terms and performance standards. This Contract may be terminated by the County upon written notice to the Operating Agency for just cause (failure to perform satisfactorily) with no penalties incurred by the County upon termination or upon the occurrence of any of the following events in i, ii, iii or iv:
- i. Should the Operating Agency fail to perform all or any portion of the work required to be performed hereunder in a timely and good workmanlike manner or properly carry out the provisions of the Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Operating Agency, and should the Operating Agency neglect or refuse to provide a means for satisfactory compliance with this Contract and with the direction of the County within the time specified in such notice, the County shall have the power to suspend or terminate the operations of the Operating Agency in whole or in part.
 - ii. Should the Operating Agency fail within five days to perform in a satisfactory manner, in accordance with the provisions of the Contract, or if the work to be done under said Contract is abandoned for more than three days by the Operating Agency, then notice of deficiency thereof in writing will be served upon Operating Agency by the County.

Should the Operating Agency fail to comply with the terms of said Contract within five days, upon receipt of said written notice of deficiency, the Executive Director of Commission shall have the power to suspend or terminate the operations of the Operating Agency in whole or in part.

iii. In the event that a petition of bankruptcy shall be filed by or against the Operating Agency.

iv. If, through any cause, the Operating Agency shall fail to fulfill in timely and proper manner the obligations under this Contract, or if the Operating Agency shall violate any of the covenants, Contracts, or stipulations of this Contract, the County shall thereupon have the right to terminate this Contract by giving written notice to the Operating Agency of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. It further provides that discrimination includes a failure to design and construct facilities for first occupancy after January 26, 1993 that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable--that is, easily accomplishable and able to be carried out without much difficulty or expense.

It further provides that discrimination includes a failure to design and construct facilities for first occupancy after January 26, 1993 that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable--that is, easily accomplishable and able to be carried out without much difficulty or expense.

The County will properly investigate all charges of harassment by residents, employees or agents of the County against any and all Operating Agency's employees, agents or subcontractors providing services for the County. - E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Commission shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.
- F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other

recommendation of the Contract Hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.
- I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The Operating Agency shall conduct a physical inventory of the nonexpendable property at least once every two (2) years, reconcile the inventory with its property records and maintain these records for four years (4) after the termination or expiration of this Contract. In the event there is a change of use or disposition of the property, if the then-current fair market value is over \$5,000, the Operating Agency shall immediately pay to the County a pro-rata share of the then current fair market value of the property. The pro-rata share shall be calculated by multiplying the then-current fair market value by the percentage of the purchase price paid with

CDGB funds or program income.

15. REVERSION OF ASSETS. Upon expiration or termination of this Contract, the Operating Agency shall immediately transfer to the County any remaining CDBG funds on hand at the time of expiration or termination and any accounts receivable attributable to the use of CDBG funds. Any real property under the Operating Agency's ownership or possession that was acquired or improved in whole or in part with CDGB funds in excess of \$25,000 shall be either:
- i. Used to meet one of the national objectives in 24 CFR 570.208 for five (5) years following the close-out of the CDBG grant from which assistance to the property was provided after expiration of this Contract (24 CFR 570.505), or such longer period of time as may be specified in the Exhibit A; or
 - ii. Such reimbursement is not required after the period of time and under the conditions specified in paragraph i above.

The Operating Agency shall maintain the use of the real property and documentation verifying compliance with the national objective for a period of five years after closeout of this project, per 24 CFR 570.505, Use of Real Property, which states, "[t]he standards described in this section apply to real property within the recipient's control which was acquired or improved in whole or in part using CDBG funds in excess of \$25,000." These standards shall apply from the date CDBG funds are first spent for the property until five years after closeout of an entitlement recipient's participation in the entitlement CDBG program, or, with respect to other recipients, until five years after the closeout of the grant from which assistance to the property was provided. The Operating Agency must submit to the Commission a completed "Certification of Eligible Use" Form verifying that the real property is used exclusively for the eligible use and purpose as provided in the Exhibit A. This form shall be submitted on an annual basis, by April 30th, beginning in year two (2) and for a period of five (5) years after closeout of the project. In case of a change of use or disposition, the Commission must be reimbursed for the then-current fair market value of the real property, less the pro rata share of expenditures made with non-CDBG funds to acquire or improve the real property.

16. PURCHASE OR LEASE OF NONEXPENDABLE PROPERTY. Operating Agency shall obtain three (3) documented bids prior to purchasing or leasing any nonexpendable personal property as approved in Exhibit A, Project Description and Activity Budget. The Operating Agency must purchase or lease from the lowest, responsive and responsible bidder. Operating Agency shall properly identify and inventory all nonexpendable property purchased or leased pursuant to the Contract and seek reimbursement from the County for the actual price of said

property, deducting all cash discounts, rebates and allowances received by Operating Agency. Operating Agency shall provide said inventory to the County upon request.

If there is a residual inventory of unused supplies, upon termination or completion of the project or termination or expiration of this Contract, with a then-current aggregate fair market value exceeding \$5,000 and if the supplies are not needed for any other federally sponsored program(s) or project(s), the Operating Agency shall immediately pay the County for its pro rata share of the then-current aggregate fair market value calculated at the percentage of the purchase price paid with CDBG funds. The Operating Agency shall obtain prior approval of the County and otherwise comply with all applicable laws and regulations prior to utilizing the supplies for any other federally sponsored program(s) or project(s).

17. ACCOUNTING. The Operating Agency must establish and maintain on a current basis an adequate accounting system in accordance with generally accepted accounting principles and standards, and the County Auditor-Controller Contract Accounting and Administration Handbook. Regardless of the Operating Agency's method of accounting, expenses must be reported in accordance with Sections 5 and 42 of this Contract.
18. CHANGES. The County may, from time to time, request changes hereunder, including the scope of services of the Operating Agency. Such changes, including any increase or decrease in the amount of the Operating Agency's compensation, which are agreed upon by and between the County and the Operating Agency, shall be incorporated into this Contract by written amendments. Any changes by HUD to the regulations or requirements governing Operating Agency's performance hereunder need not be incorporated by written amendment and will be binding upon Operating Agency upon notification by County.
19. CHANGES IN GRANT ALLOCATION. The County reserves the right to reduce the grant allocation when the County's fiscal monitoring indicates that the Operating Agency's rate of expenditure will result in unspent funds at the end of the program year. Changes in the grant allocation will be made after consultation with the Operating Agency. Such changes shall be incorporated into this Contract by written amendments.
20. CITIZEN PARTICIPATION. All program data necessary to provide reports to citizens will be made available by the Operating Agency.
